This recently reconstructed apartment with preserved original features is situated on the 4th floor of a renovated historic apartment building with an elevator on a side street near Republic Square in the very center of Prague.

The apartment area is divided into a living room with a kitchen, 1 bedroom with a **dressing room**, a bathroom (with a bathtub and toilet), a separate toilet. and an entrance hall.

The apartment unit was approved in 2020. The apartment has renovated wooden floors and new doors. As part of the layout change in 2020, a new bathroom with heated tiles was built. Heating is by a gas boiler. The building has been renovated and boasts **elegant common areas and a modern elevator**.

An ideal location **in the heart of the Prague**, in the immediate vicinity of two shopping centers and other shops, restaurants, clubs, and cultural institutions. Excellent transport connections by metro and trams, a public transport station is about a 2-minute walk from the building.

Floor area 53.5 m².

* Size of the unit according to the Housing Act.
The area consists of the sum total of the internal area of every room.
