This sensitively reconstructed elegant apartment with unique preserved historical elements, such as painted ceilings or a fireplace, and an atmosphere completed by views of a castle park, is located on the 1st floor of a well-maintained Neo-Renaissance building built on Gothic foundations. The area offers living in a quiet residential area near a castle or the Elbe River embankment.

The layout consists of an entrance hall with a kitchen and a bathroom with a toilet. The main living room with an impressive restored painted ceiling leads to a generous bedroom with an open fireplace. With a simple modification, another separate room can be created in the master bedroom. Facilities include wooden floors, original refurbished casement windows, and double paneled wooden doors. Heating is provided by a gas boiler.

The surroundings are ideal for walking and cycling. The town has a full infrastructure, and within walking distance is a cinema, an elementary school with a high school, and several sports grounds, including a gym or a swimming pool. Connections to Prague are provided by buses, and Černý Most is just 15 minutes away along the D10 highway.
