The inspirational working environment at the Holešovice riverbank harbor will provide you with facilities within shared offices for both individuals and entire teams.

Private offices, hot desks in a **coworking space**, or even your own Office Suite. The **conference center**, accommodating up to 350 people, will provide excellent facilities for your events. All of these options can be offered to you within shared offices in a modern office building.

The campus-style office complex was constructed with consideration for the environment, creating a unique setting for a healthy balance between work and personal life. In the immediate vicinity, a vibrant new riverbank is emerging, offering a variety of leisure activities.

Location:

Excellent transportation accessibility by both car and public transport - in the immediate proximity of the building, there are bus and tram stops. The Holešovice train station and **Nádraží Holešovice metro station (Line C)** are in close vicinity, thanks to a newly built underpass directly from the Nádraží Holešovice metro station.
