This bright apartment with beautiful original vaulted ceilings finished to a high-quality standard with a parking space is located on the ground floor of a residential project that was completed in 2023 in the wine-growing village of Želešice on the outskirts of Brno, near the Bobrava nature park.

The layout consists of a spacious living room with a kitchen and dining room, 2 bedrooms, a bathroom (with a shower and bathtub), **a walk-in wardrobe**, a separate toilet, a closet, and a foyer.

The preserved vaulted ceilings add to the atmosphere of the apartment. Locally crafted hardwood floors (rustic natural oak), Italian Alfalux Pietre Pure ceramic tiles, Porta interior doors with black Cobra Gaiga handles, a chip-accessed fire safety entrance door, and a custom-made kitchen equipped with built-in Whirlpool (refrigerator, hob, electric and microwave oven, hood) and Electrolux (dishwasher) appliances are its main high-quality facilities. Central heating. Residents of the building can use the **pram room**, **bike room, and common cellar space**. The apartment comes with 1 outdoor **parking space** in the enclosed courtyard.

The village, located in **a wine-growing region**, has a kindergarten and elementary school, grocery stores, a cafe, and a riding club. Complete civic amenities are available in Brno, with which the village has fast bus connections. Another major advantage is its easy connection to the D52 highway in the direction of Vienna. The location is characterized by a beautiful landscape—Želešice is immediately adjacent to the **Bobrava Nature Park**, and **Pálava** is not far away.
