Modern office space for lease in a building with a rooftop terrace, balconies, and spacious & bright rooms, designed by the world-renowned American architectural studio Richard Meier & Partners and CUBOID Architects.

This administrative center offers not only the use of all services via a mobile application (e.g. ordering lunch, booking an electric bike or electric car, etc.), but also a number of innovative elements that contribute to creating a healthy working environment. There is also a bike room with showers and an all-day restaurant. In addition, the building has an advanced ventilation and air conditioning system, cooling beams, LED lighting, and a range of other energy-saving solutions to minimize its environmental footprint and operating costs.

#### Location:

The location, where one of the most modern administrative districts of Prague is being built, offers a range of services: the Arkády Pankrác shopping center, restaurants, cafes, a congress center, hotels, banks. Easy access by car and public transport, direct connection to the Prague Ring Road and D1 highway – within walking distance of the Pankrác (line C) metro station and Sídliště Pankrác bus and tram stop.

#### Features and services:

The project plans to achieve LEED Platinum and WELL Gold certification Accessible rooftop terrace Use of services via mobile application Use of environmentally friendly materials LED lighting Advanced ventilation and air conditioning system Cooling beams Central reception 24/7 security Magnetic card access Lowered ceilings Raised floors Storage space, showers, changing rooms Restaurant in the building Underground parking with intelligent parking system

Rental and service charges are listed without VAT. Lessee pays no commission.
