This studio apartment, ideal for short-term rentals, is located on the 2nd floor of a beautiful, ornamental apartment building with an elevator. The building stands in a place full of history, on a quiet one-way street near Wenceslas Square and Charles Square with a park.

The layout consists of a living room, a bathroom (shower, sink, toilet), and an entrance hall with a kitchen. The apartment window faces the lit hallway so no street traffic noise will disturb you.

The laminate floors in a wood decor create a cozy atmosphere. The kitchen is fully equipped. The building's facade, common areas, and elevator have been renovated (in 2019).

The building is situated in a nice place in the very center of the city. Many restaurants, cafes, and clubs, the **National Museum**, the **cinema of the French Institute** and the **theaters** Řeznická, Komedie, Kalich, Ypsilon, or Studio Dva are nearby. The location is easy to get to by many metro and tram lines, and the Main Railway Station is also within walking distance.

Floor area 24.3 m².
