This new apartment with direct views of Prague Castle is part of the exclusive VII House project—a house that is currently being refurbished at a prestigious address on Valdštejnské Square, in a place with an incredibly strong genius loci. The building's long and rich history, modern Czech design, and facilities from premium brands create a combination that ensures unique living.

The layout of the 2nd floor apartment consists of a more than **40-meter living room** with a **unique stone portal** made of **Božanov sandstone** and a preparation for an open plan kitchen, 2 bedrooms with their own bathrooms with toilets, a dressing room, a utility room, a separate toilet, and an entrance hall. The windows of the living room and master bedroom provide **breathtaking views of Prague Castle**, Prague's dominant landmark.

The interior design was created by the **Formafatal studio** of architect **Dagmar Štěpánová**. High-end facilities include **oak floors** in a **modern chevron pattern**, **Agorà designer radiators** from the Italian brand TUBES, a fully equipped bathroom with underfloor heating, a **Villeroy & Boch** sink, a **Hüppe** shower tray, a **Tece** toilet, and **Bongio** faucets, an **Invisidoor door** with concealed hinges and **DND Handles**, or new wooden windows. The building's central boiler system provides heating by gas condensing boilers. Residents of the building have access to elegant common areas with a **Classicist staircase**, complete with original Czech lighting, and an **elevator** for convenience.

The neighborhood in which VII House stands is exceptional due to the presence of the **Senate and the Chamber of Deputies** and the immediate proximity to Charles Bridge and Prague Castle. This prestigious address is in the middle of **Malá Strana**, yet tucked away from the main tourist routes. It's only a few minutes' walk to a tram and metro station, with beautifully landscaped **palace gardens**, **Petřín Gardens**, and **Kampa Park** with the romantic Čertovka nearby. Famous restaurants and stylish cafes, as well as luxury hotels with spa and fitness services, can be found in the immediate vicinity, as well as schools and other services needed for everyday life.

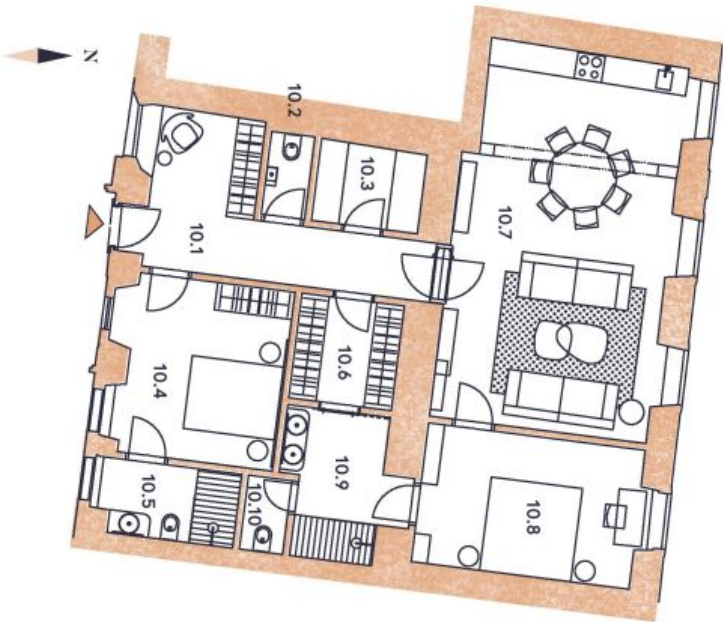

Floor area 117.4 m².
