This new apartment with a window facing a poetic green courtyard is part of the exclusive VII House project, a house that is currently being refurbished in a place with an incredibly strong genius loci, on the corner of Valdštejnské Square. The building's long and rich history, modern Czech interior design, and facilities from premium brands create an impressive combination.

The area of the 3rd floor apartment consists of a living room with a window towards the **quiet courtyard**, a kitchen area with a window facing **Valdštejnská Garden**, a bathroom, and a foyer.

The interior design was created by the **Formafatal** studio of architect **Dagmar Štěpánová. High-end facilities** include an **oak floors** in a modern **chevron pattern, Agorà designer radiators** from the Italian brand TUBES, a fully equipped bathroom with underfloor heating, a **Villeroy & Boch** sink, a **Hüppe** shower tray, a **Tece** toilet, and **Bongio** faucets, an Invisidoor door with concealed hinges and **DND Handles**, or new wooden windows. The building's central boiler system provides heating by gas condensing boilers. Residents of the building have access to **elegant common areas** with a **Classicist staircase**, complete with original Czech lighting, and an **elevator** for convenience.

The neighborhood in which VII House stands is exceptional due to the presence of the most famous monuments in immediate proximity. This prestigious address is in the middle of Malá Strana, yet tucked away from the main tourist routes. It's only a few minutes' walk to a tram and metro station, with beautifully landscaped **palace gardens, Petřín Gardens, and Kampa Park** with the romantic **Čertovka** nearby. Famous restaurants and stylish cafes, as well as luxury hotels with spa and fitness services, can be found in the immediate vicinity.

Floor area 37.9 m².
