Reference number	101133

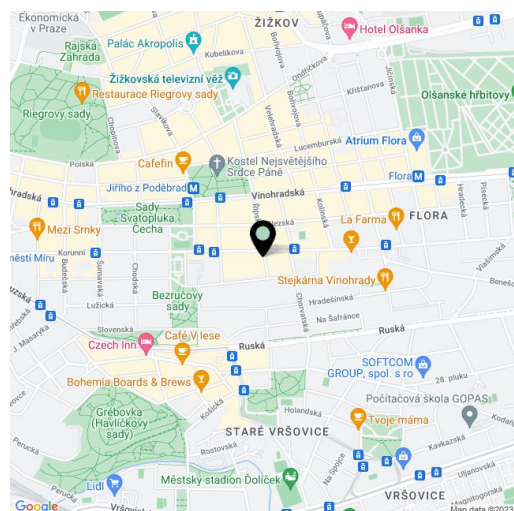

This bright attic apartment with air-conditioning is set on the 4th floor of a corner historic apartment building with an elevator. An attractive location near Jiřího z Poděbrad Square with a park, 5 minutes by public transport from the city center.

The layout consists of a living room with a kitchen, a bedroom with an en-suite bathroom (with a shower and toilet), a second bathroom (bathtub, toilet, bidet, a connection for a washing machine), and an entrance hall.

The French windows in the living room face the courtyard; the **air-conditioned** bedroom is illuminated by a **large attic window**. The rooms have refurbished wooden **parquet floors**, tiles in the bathrooms. Heating is by a gas boiler. The building is nicely maintained and has an elevator.

An excellent location in the **wider center of Prague**, in an area with a complete infrastructure. Just a few steps from the building are cafes, restaurants, and shops, as well as a metro station and a tram stop, and the Flora shopping and entertainment center is also within walking distance. The elegant district is made even more pleasant thanks to several well-maintained parks, such as **Svatopluk Čech** and **Bratří Čapků**, and you can also walk to the **Grébovka** or **Riegrovy parks**.

Floor area 53.9 m².

* Size of the unit according to the Housing Act.
The area consists of the sum total of the internal area of every room.
