This designer family house with an airy interior, indoor pool, sauna, tennis court, photovoltaic power plant, and large sunny garden is located in a quiet residential area in Mladá Boleslav.

The ground floor consists of a living room, a bedroom, a study, a kitchen, a dining room, a pantry, a hall, a central dressing room, a laundry room, a bathroom (with a bathtub, shower, two sinks), 2 separate toilets, and storage and utility facilities (HVAC and heat pump machine room). The living room has access to the **garden terrace with a pergola**. In the attic, accessible by a double staircase, there are 2 bedrooms, both with their own bathrooms (toilet, bathtub, sink, shower).

The house was built in 2005. **The exposed concrete**, together with the tropical wood cladding and the **floor-to-ceiling glass surfaces**, creates an impressive combination. Windows are **aluminum with interior and exterior shutters**, the floors of the living rooms are **wooden**, and the interior doors are **veneered** with paneled frames with hidden hinges, **all-glass** with a metal frame and made of wood with **glazed panels** in a superior design. The kitchen is equipped with brand-name appliances. **The pool** was added in 2011, and the **photovoltaic power plant** in 2014. Heating is provided by air-conditioning, and the heat source is an air-to-air heat pump. The equipment includes an intelligent NIKO BUS wiring system, circuit breakers, and an intelligent computer network; the house is equipped with an electronic security system with cameras and a fire alarm. On the plot is a **tennis court** with a 3rd generation artificial grass surface, and the garden is maintained with **automatic irrigation**. Parking is provided in the **garage**.

This very quiet residential part of the city provides everything you need for **comfortable family living**. A few steps from the house is a **kindergarten and elementary school**, a sports center, a grocery store, a pharmacy, or a restaurant. The area is full of greenery thanks to the neighboring **horticultural colony, the New Park, or the forest park on Radouč Hill**. It is possible to connect to a **bike path** or a **hiking trail** directly from the house.

Usable area 687 m², built-up area 587 m², garden 1,785 m², land total area 2,357 m².
