A unique opportunity to buy a building plot located right next to vineyards and mature trees on the outskirts of the winegrowing town of Valtice. The location of the plot high above the historic city center guarantees amazing peace and beautiful views of the landscape of the Lednice-Valtice area.

Utility networks are brought to this slightly sloping plot of land: electricity, water, sewerage, and preparation for an **optical cable**. Access to the property is via a **new lit access road**. The maximum buildability is 20%. A few other building plots are available in the neighborhood, a total of 8 new family houses can be built here. This plot has the best location allowing **a view** of the iconic **minaret building in the castle park**.

The plot is located in a wonderful place on the edge of the development, approx. **3 minutes by car from the picturesque historical center of Valtice**. The city has a high-quality infrastructure: kindergarten and elementary school, secondary winery school, hospital, pharmacies, shops, restaurants and cafes. The dominant feature here is the **castle** surrounded by a park with **romantic buildings**. The city is easily accessible by train and bus, and you can easily get to the D2 highway by car.

Total area 1.669 m².
