This newly created spacious air-conditioned apartment is spread over the entire top floor of a completely reconstructed elegant Neo-Classical building with an elevator and an impressive entrance hall. Located in the city center, on a side street near the Na Příkopě pedestrian zone and Wenceslas Square.

The area of the apartment, which extends over the entire 6th floor, consists of a generously designed living room with a preparation for a kitchen (76 sq. m. in total), a master bedroom with an en-suite bathroom and **sauna**, 2 other smaller bedrooms, a bathroom, a separate toilet, a utility room, a hallway, and an entrance hall with **direct access from the elevator**. From the living room, the master bedroom, and one smaller bedroom, it is possible to enter the **spacious northeast terrace** facing the courtyard, providing direct views of the Gothic **Jindřišská Tower** and the tower of the Church of St. Jindřich and Kunhuta.

During the overall reconstruction of the building, including the common areas, emphasis was placed on using the highest **quality materials** and restoring the building to its **original historical appearance**. The **high standard** facilities include **oiled oak parquet floors** in a classic tree pattern, historic interior doors and fire safety entrance doors in white lacquer, skylights (towards the street) and Euro windows towards the courtyard, **Villeroy & Boch** sanitary ware, **Hansgrohe** faucets, Heatflow electric **underfloor heating**, and **Daikin air conditioning unit**. The apartment comes with a **cellar**.

The location of the building right in the city center allows you to have **everything you need at your fingertips**. There are cafes, restaurants, shops including a supermarket, banks, theaters and cinemas, schools, and offices in the vicinity. There is a tram stop just a few steps away, and you can also walk to the Můstek metro transfer station or the Main Railway Station in just a short time.

Floor area 190.90 m², terrace 50.80 m², cellar 6.4 m².
