This bright apartment with the possibility of purchasing a garage parking space is part of the unique Nové Lauby residential complex. This new project is being created right in the center of Ostrava near Masaryk Square with a fountain, within walking distance of a full range of services and a park.

The layout consists of a living room with a preparation for a kitchen, 3 bedrooms, a walk-in closet, a bathroom with a toilet, two guest toilets, and an entrance hall.

The project was designed by the **renowned znamení čtyř - architekti studio**. The new five-story building will be covered with **greenery**, and a **landscaped atrium** will be created in the complex's center. The interior is illuminated by **large-format windows** with aluminum or wooden frames and electrically operated blinds, while the floors will be three-layer **oak**. There is a possibility **to buy a parking space**.

The apartment complex will become a natural part of the historic center of Ostrava. In the area around Masaryk Square, you can enjoy cafes, restaurants, a shopping center, a museum, a cinema, or a library. Schools and the Antonín Dvořák Theater are a few minutes' walk away. Part of the city monument zone is the large park on Černá Louka and the Ostravice River is lined with bike paths.

Floor area 118.7 m<sup>2</sup>, cellar 2.81 m<sup>2</sup>.
