Reference number	103965

Exclusive sale of a flat building plot boasting an excellent location in an attractive part of Rusovce.

The plot is sold including a building permit and a project for 6 family houses to be built. The property has a connection to electricity.

The lot is located in a built-up part of the village and has a lawn, deciduous trees, and extensive cellars.

Rusovce is a sought-after part of Bratislava, especially due to its quiet atmosphere. The plot is located on a main road, ensuring great transport connections to the highway, ring road, and public transport. Besides a full range of civic amenities, Rusovce also offers a number of sports and recreational activities.
