Reference number	104692

\* Area of the unit according to the Civil Code. The area consists of the sum total area of the entire unit bounded by perimeter walls.

This beautifully lit duplex apartment with two balconies and direct entrance from the street is located on the 1st and 2nd floors of a boutique residential project with 15 unique units and creatively designed common areas. Originally a tenement apartment building from the 1930s, it is nestled in a green part of Prague 4 - Nusle, not far from the city center, which is excellently accessible by public transport and by bike along a safe bike path. Expected completion by the end of 2024.

The entrance level of the apartment consists of an open living space with a preparation for a kitchen, a bathroom with an interesting semi-circular shower, a separate toilet, and a foyer. A staircase leads to a private area where there are 2 bedrooms, one with an en-suite bathroom. The living room has access to one balcony, and both bedrooms have access to the second balcony. The balconies face a quiet garden with mature greenery.

The units in the project are divided into six collections. This particular apartment is part of the **Jacqueline collection**. Facilities include **high-quality LVT floors** in a wooden decor and properties, large-format wall and floor tiles combined with **mosaic tiles in neutral earth tones**, **Laufen and Kartell by Laufen** sanitary ware, **Grohe Essence** chrome faucets including concealed ones, a designer P.M.H. Rosendahl heated towel rail, **custom-made** entry doors and **Sapeli** interior sliding doors.

This **very pleasant neighborhood** is nestled between the **Na Fidlovačce** and **Křesomyslův Hájíček** parks, and **Folmanka Park** with sports fields and the large green areas of **historic Vyšehrad** are nearby. Several cafés and **sports and wellness** centers are located on the **26th floor** of the **Corinthia Hotel**, only a short distance from the residence, and the range of services in the area will be further expanded by the future **Nuselský Pivovar residential project**. There is a tram stop just a few steps away, and the **Vyšehrad metro station** (line C) and **Náměstí Bratří Synků Square** (where a line D metro station will be built) are within easy walking distance.

Floor area 71.3 m<sup>2</sup>, balconies 15.8 m<sup>2</sup>.

Possibility to purchase a storage space at extra cost.
