This comfortable, fully furnished, energy-efficient family house with a designer interior, top-quality equipment, an outdoor hot tub, and a landscaped garden is part of a new residential area in an elevated part of Beroun, which is located near Prague, between the Czech Karst and the Křivoklátsko protected areas.

The ground floor consists of a living space with a kitchen and dining room, a study/guest room, a bathroom, a utility room, and an entrance hall. Upstairs are 2 bedrooms, a large walk-in wardrobe, a small room (now used for sports), a bathroom, and a separate toilet.

The house was completed in 2020. The interior features oak floors, Italian large-format tiles (120 x 60 cm) and custom-made equipment according to an interior designer. Quality facilities include, for example, Ton Merano chairs upholstered in durable Alcantara or a beautiful Bomma glass lamp. The kitchen with a Polyston ceramic worktop is equipped with Miele appliances (including a wine cabinet) and a built-in water ionizer. The equipment also includes a built-in Bose Lifestyle sound system. The Somfy Tahoma smart home system, which allows you to control the blinds, and a bioclimatic pergola contribute to the high level of comfort. The house is guarded by cameras and a Jablotron security system, the automatic supply of fresh air is provided by a recovery system, and heating is by a heat pump connected to the PV system. There is a USSPA hot tub on the terrace in the automatically irrigated garden.

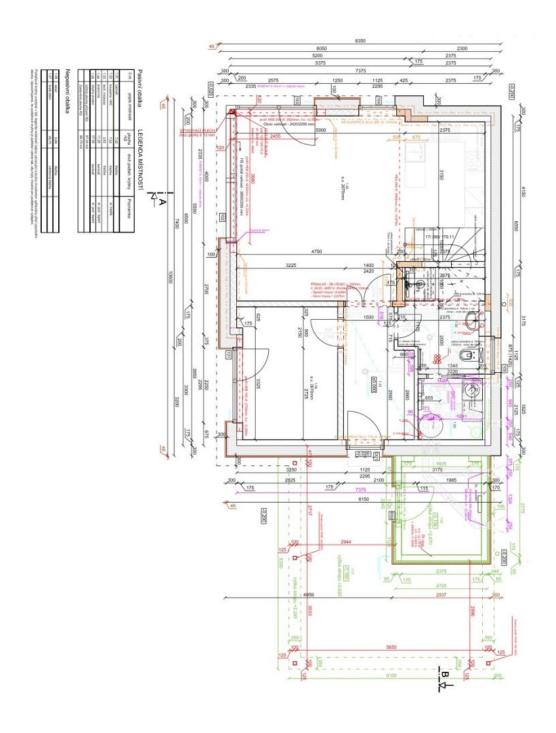

The residential area is located in the Závodí part of Beroun. Civic amenities are within easy reach. There is a kindergarten and an elementary school about 1 km from the house. **Sports grounds** including a **golf course**, and shops and restaurants are nearby. Transport connections to Prague are provided by trains and suburban buses, while journeys by car are speeded up by the nearby access to the **D5 highway**. The surroundings of Beroun offer many opportunities for spending free time in nature, as **deep forests** surround the town on all sides.
