The Patria West Offices (City West B1 building) building offers modern class AA office space for lease in a pleasant location in the western part of Prague. The building includes an elegant reception, storage space, and rooms for bike parking and showers. West Flexi Offices, which offer coworking space, day offices, furnished meeting rooms, focus rooms for shorter meetings or telephone calls, a lounge, and relaxation areas, are also part of the building.

Tenants can use the fitness center or outdoor gym and there are up to 426 parking spaces in the underground garage. The park that surrounds the complex was created by the Jena Studio. The main axis of this green area is a stream, along which the vegetation gradually changes. Plane trees line the promenade that crosses the complex, and another striking feature of the garden are the metal trellises built for wisterias to climb.

**Location:**

Excellent accessibility by car and public transport—the city center is about 20 minutes away by metro from the Stodůlky station (line B), which is right next to the building. There are also great connections to the D5 highway, the Prague Ring Road, and the main routes connecting the complex to the city center and to the Václav Havel International Airport. A number of restaurants, bistros, cafes, and an outdoor gym are in the complex; the large Central Park and the Metropole Zličín or Homepark Zličín malls are also close-by.
