Floor area*	52 m ²
Balcony	11 m ²
Parking	Possibility to purchase a parking space
Garage	Yes
Cellar	-
PENB	B
Reference number	105211

This 1st floor housing unit with a balcony is part of the premium Nová Myslivna residential project, set in the forest park above the Pisárky Valley. Its high standards and hassle-free parking will contribute to comfortable living, as will its wide range of services for residents: a reception, a relaxation area with a swimming pool, saunas and a fitness zone, as well as a rooftop restaurant with impressive views.

The layout consists of a living room with an adjoining kitchen, a bedroom, a bathroom (with a shower and toilet), a pantry, and an entrance hall. Adjacent to the living room and bedroom is a **balcony** facing northeast towards the forest, guarantees **morning sunlight**.

The high-standard facilities include **wooden floors** made of oiled oak, 2.1 m high rebateless doors, **aluminum windows** with insulating triple glazing and electrically controlled exterior blinds, a **premium Hanák kitchen fully equipped with Miele appliances**, large-format ceramic floor and wall tiles, brand-name sanitary ware and faucets, and a smart home system controlling, among other things, **cooling, and underfloor heating**. It is possible to purchase a **garage space**. The building uses sustainable technologies to reduce energy consumption (heat pumps, photovoltaic panels). Other benefits include an elevator, daytime reception, a **relaxation zone with a swimming pool**, several saunas and a gym, a stroller room, or a room for washing bikes or dogs.

The apartment building will be surrounded by **greenery with water features and landscaping**, which will naturally connect to the surrounding forest. A restaurant with impressive views of the city and the wine-growing Pálava region, 50 kilometers away, is directly in the building. There is a bus stop not far from the house, from where you can reach the city center in about 15 minutes, **Campus Square shopping center** is about 5 minutes away by car or bus.

Floor area 52.49 m², balcony 10.77 m².

Subject to special legal conditions.

Expected completion date is summer 2026.

For more information, please visit the project website
