neighborhood stands the sensitively reconstructed and widely visited **national cultural monument Old Wastewater Treatment Plant**, nearby will be a **premium residential project with hundreds of luxury apartments**. The place is very **accessible** by car (approx. 5 minutes drive from the exit of the tunnel complex), by train and by public transport bus, there is also a tram stop within walking distance, and a busy cycle path runs around the area. The project will suitably complement this unique location, which is immediately connected to the **Stromovka Royal Nature Reserve**, and will also increase the accessibility of the area for pedestrians and cyclists.
