This family house intended for complete reconstruction stands on a large plot of land with wine cellars, which is located in the immediate vicinity of the romantic castle park in the sought-after wine village of Valtice in the Lednice-Valtice Cultural Landscape and not far from the Pálava PLA.

The brick house is in a condition **for complete reconstruction**, there are also dilapidated buildings on the property, **one of the oldest in the city**. The main building is connected to the municipal **water supply, sewerage and gas**, on the property is a **water well** with water for irrigation and **2 Haban cellars** - one was used for **wine production**, the other, the original one with a **vaulted ceiling**, is extensive and divided into 2 parts.

An excellent location near the city **center, park and vineyards** allows for pleasant living and is also suitable for a **guest house**. Cafes, restaurants, an elementary school or **secondary wine school**, shops or a post office are within walking distance, and the bus station is also nearby. The city has an advantageous location for car trips to **Brno, Bratislava and Vienna**. The **Lednice-Valtice Cultural Landscape** is included in the **UNESCO** list and, in addition to many **cultural and historical monuments**, it is also characterized by **beautiful nature**, which can be explored on foot or comfortably by bike.

Usable area 398 m²(of which terrace 68 m²), cellars 330 m², built-up area 213 m², land 2,382 m².
