At the entrance level is a living room with a dining room, kitchen, and access to the **garden** with a **terrace**, as well as a toilet, a hallway, a storage room, and a foyer. The staircase in the living room leads to the first floor, where there are 2 bedrooms, a bathroom (with a bathtub, toilet, sink, and connection for a washing machine), and a stairwell.

The apartment was completed in 2008; windows are plastic, the floor is floating laminate, and heating from the central boiler room. The kitchen is equipped with Whirlpool appliances. The apartment includes **2 outdoor parking spaces** on its own property and a co-ownership share in the **children's playground**.

The residential complex is located between the municipality of Horoměřice and Prague 6 - Lysolaje. Transport connections are provided by buses, and the ride to the Dejvická or Bořislavka metro station takes only 15 minutes, while the connection to the Prague Ring Road will speed up car journeys in the future. There is a **private kindergarten** in the complex, another kindergarten is within walking distance, and the elementary school is about 2 minutes away by car. It only takes a few minutes to drive to the prestigious **International School of Prague** and **Riverside School Prague** or to the **Czech University of Life Sciences**. There are shops, restaurants, sports fields, a pharmacy, or a post office within a short driving distance, and the drive to the airport is also quick. The area's many advantages include the **beautiful nature**—you can walk to the **Housle natural monument**, **Kozí hřbety**, or to the **valley of the Únětický Stream**. In neighboring Lysolaje, where a footpath will soon lead, there is a **swimming lake**. It is possible to walk to Prague's Suchdol district in approx. 20 minutes along a restored **historic tree-lined path**. Not far from the house is a **leisure center** with a public fire pit, a scout clubhouse, or a **community chicken coop**, a pumptrack, and a sledding hill.
