Reference number	106647

This studio air-conditioned unit with a balcony and pleasant views of a mature forest is located on the 1st floor of the Nová Myslivna residential project. The premium project, which will bring a completely different style of living to Brno, will be built in a quiet place by the forest park in the Masaryk Grove. The residence will include a wellness and fitness zone, a reception, or a garden in the courtyard.

The floor area of the unit will consist of a living room with a kitchen, a bathroom (with a shower and toilet), and an entrance hall. Adjacent to the living room is a **balcony** facing northeast towards the **forest**, guarantees **morning sunlight**.

The **high-standard facilities** include **wooden** floors made of **oiled oak**, 2.1 m high **rebateless** doors, **aluminum** windows with insulating triple glazing and electrically controlled exterior blinds, a premium **kitchen fully equipped with appliances**, large-format ceramic floor and wall tiles, brand-name sanitary ware and faucets, and a **smart home system** controlling, among other things, cooling, and underfloor heating. The building uses **sustainable technologies** to reduce energy consumption (heat pumps, photovoltaic panels). Other benefits include a daytime **reception**, a **relaxation zone with a swimming pool**, several **saunas and a gym**, a stroller room, or a room for washing bikes or dogs.

The apartment building will be surrounded by **greenery with water features and landscaping**, which will naturally connect to the surrounding forest, perfect for walks or bike rides. A restaurant with **impressive views of the city** and the **wine-growing Pálava region**, 50 kilometers away, is directly in the building. There will be a bus stop not far from the residence, and the **city center** or **Campus Square shopping center** is about 15 minutes away by car or bus.

Floor area 36.65 m², balcony 7.89 m².
Subject to special legal conditions.

Expected completion date is summer 2026.

For more information, please visit the project website
www.novamyslivna.com.

* Area of the unit according to the Civil Code. The area consists of the sum total area of the entire unit bounded by perimeter walls.
