This 3rd floor housing unit with a spacious terrace is part of the premium Nová Myslivna residential project, set in the forest park above the Pisárky Valley. Its high standards and and hassle-free parking will contribute to comfortable living, as will its wide range of services for residents: a reception, a relaxation area with a swimming pool, saunas and a fitness zone, as well as a rooftop restaurant with impressive views.

The layout consists of a living room with an adjoining kitchen, a master bedroom, another bedroom, a bathroom (with a shower and toilet), a separate toilet, a pantry, and an entrance hall. All rooms have access to the large southeast-facing terrace.

The high-standard facilities include wooden floors made of oiled oak, 2.1 m high rebateless doors, aluminum windows with insulating triple glazing and electrically controlled exterior blinds, a premium kitchen fully equipped with appliances, large-format ceramic floor and wall tiles, brand-name sanitary ware and faucets, and a smart home system controlling, among other things, cooling, and underfloor heating. It is possible to purchase a garage space. The building uses sustainable technologies to reduce energy consumption (heat pumps, photovoltaic panels). Other benefits include an elevator, daytime reception, a relaxation zone with a swimming pool, several saunas and a gym, a stroller room, or a room for washing bikes or dogs.

The apartment building will be surrounded by greenery with water features and landscaping, which will naturally connect to the surrounding forest. A restaurant with impressive views of the city and the wine-growing Pálava region, 50 kilometers away, is directly in the building. There is a bus stop not far from the house, from where you can reach the city center in about 15 minutes, Campus Square shopping center is about 5 minutes away by car or bus.
