Semi-detached 3-bedroom family house with a 500 m² garden and patio in a green residential neighborhood with good connections to the Prague 4 international schools. The lower floor comprises living room with entrance to the garden, fully equipped open plan kitchen, entry hall, technical room and separate toilet. On the upper level are the bedrooms, bathroom with corner bath tub and stall shower, separate WC, and storage room. Attic storage. UPC cable TV and Internet connection, wood floors and tiles, dishwasher, ceramic cooktop. Automatic irrigation system. Close to a new international kindergarten (English speaking). Utilities (gas, electricity, water) will be registered in the name of the tenant, approximate consumption costs 3.500 CZK/mo. Ideal for families with children. Available July 2010.
