This park is located at the south of the village of Všechromy (Prague-East district) and at exit 15 of the D1 highway (Prague-Brno-Ostrava-Poland). This park currently consists of 3 halls offering 133,500 sq. m. of warehouse-production premises and offers an excellent park infrastructure and great flexibility. The park management team is on site and has 24 hours security. The inside's technical specifications are described in the available units above.
