Administrative building with modern office space for lease situated in Holešovice by the Vltava River. The area already houses multiple companies from a wide range of industries attracted by its unique business environment created by the combination of office, commercial and residential use in a mix of newly developed as well as stylishly refurbished industrial buildings along the riverbank whilst still being within very close proximity to Prague city center.

Location:

The building is an integral part of the up and coming part of Prague 7 and is easily accessible by car and public transport – the Vltavská, Nádraží Holešovice (line C) and Palmovka (line B) metro stations are in close vicinity of the building. Car access is excellent being within a ten minute drive from the city center and because of its favourable car parking ratio.
