This modern office building offers Class A office space for lease meeting the highest international standards. Its efficient layout uses the latest technology, with plenty of natural light and natural materials. The building also offers facilities for cyclists (showers, lockers, racks, and charging for electric vehicles). The spacious green rooftop terrace on the 5th floor of the building is one of its dominant features. Views of the Vltava River and Vyšehrad. Underground parking.

Location:

The building is located in a popular business district of Prague 5 and is easily accessible by car and public transport. Within walking distance from the Smíchovské nádraží metro station (line B), tram, and bus stops. Close to the Smíchovské nádraží railway and bus stations. Good access to the city center and easy connection to the D1 and D5 highways. The international airport is about 20 minutes away by car.
