**This renovated manor, built in 1899 on the site of the original residence of the Kustoš family that was subsequently destroyed by fire, stands in a beautiful quiet place only a few minutes' drive from Mělník and less than half an hour from Prague. This elegant property offers a wide range of uses—a private residence and/or commercial property with a restaurant and accommodation capacities e.g. for event planning, medical facilities, etc. The offered property also includes a building plot intended for the construction of a family house. Possibility to purchase 2 neighboring building plots.**

On the entrance level, there is a dignified foyer with a **fireplace** accessible from the veranda, a space suitable for the establishment of a restaurant and its facilities, a 2-bedroom apartment, offices, and a staircase. The first floor is divided into 2 units consisting of apartments with private kitchens, en-suite bathrooms, and a shared balcony. Countess **Franziska von Groote** inherited the Jenišovice estate from her uncle and lived in the nationalized manor until she was 80 (until 1952). Afterwards, the property was used as a cultural center, cinema, dance hall, and library; in the 1990s, it was returned to the family. The entire building is currently **renovated**; the plot is fenced in on the front side with a new **wrought-iron fence**. Heating is provided by a heat pump.

The estate is located in a quiet, well-visible location with perfect access to the D8 highway; there is a bus stop and railway station nearby. The **historic wine-growing town of Mělník** with a full range of services is less than 5 km away. Říp Mountain, to which a **pilgrimage route leads**, and the **romantic Kokořínsko Nature Park**, the region of the poet Karel Hynek Mácha, are a short drive away. The **Baraba Lake swimming and fishing area** is within easy reach; the area is interwoven with comfortable trails suitable for trips on foot or by bike.
