Luxury offices individually designed by architect Ivana Dombková and situated in the basement of an Art Nouveau apartment building just a few minutes' walk from Old Town Square, in the immediate vicinity of prestigious Pařížská Street.

The impressive interior is comprised of an entry hall with a comfortable bathroom, WC, fully equipped kitchenette, and storage space. A long hall with plenty of flat skylight windows providing lots of daylight opens into 3 rooms - 2 offices and a meeting room. The interior was designed in a high standard using high quality materials such as aluminum, stainless steel, glass and high shine marble (Emperador Dark). Underfloor heating, air-conditioning, glass sliding door, roof windows with remote control.

The purchase price is without VAT and includes all equipment (excluding computer technology). Interior 64.2 m².
