Office space class A on the 6th floor of a modern office building designed by world-renowned architect Ricardo Bofill. A high performance facade ensures enough natural light while a number of environmentally-friendly solutions were applied to minimize the impact on the environment and significantly reduce operating costs. The project seeks to be awarded with a Gold LEED ecological certificate.

Location:

The modern Class A building is strategically located in an established area by the Křižíkova metro (line B) station, within walking distance of the city center. The project is connected to the inner circle of Prague and other key communication centers.

Rental and service charges are listed without VAT. Lessee pays no commission.
