Presented by the renowned Schindler Seko architectural studio, these eight associated residential buildings form a cleverly-designed, carefully secured area with parking, reception and common garden.

The layout features an open-plan living room with preparation for kitchen, dining area and access to loggia, 3 bedrooms (two with access to another loggia, one of them also with en-suite bathroom and walk-in closet), common bathroom, guest toilet, and a water closet.

Residence Royal Triangle meets the highest standards of original modern housing that offers apartments from **one-bedroom to three-bedroom layouts**. Naturally, the **highest quality materials** are used, from three-layer massive varnished floors in living rooms to the tropical wood on the balconies and terraces to large format tiles in bathrooms. All apartments have a capillary cooling system in ceilings and ventilation with heat recovery, as well as **intelligent home control** (touch and remote system using iOS or Android), that includes, for example, a central lighting control system or thermostat. Standard features also include underfloor heating, designer bathroom radiators, doors with internal hinges and **aluminum windows with triple glazing**. One to two **parking spaces** in the underground garage and a **cellar** are included in the price of each apartment.

Located in a popular residential area with excellent public transport connections to the city center and full amenities, including nurseries, schools (also international) and medical facilities. You will love this locality - with the nearby Prague Castle, Jelení Příkop, and lush parks - there is an abundance of atmosphere.
