Comfortable, low-energy family house set in the middle of nature, in the residential city part of Brno - Ivanovice. This emerging project is an ideal choice for families who prefer a quiet living away from the urban bustle, yet within easy reach of the center. Nice location surrounded by forests creates an exceptional environment offering benefits such as privacy, nice atmosphere and a plenty of leisure activities.

The lower floor features a spacious living room with kitchen and access to a terrace, followed with garden, a study, bathroom, utility room and a hall with storage space under the stairs. The upper floor consists of 3 bedrooms (one with en-suite closet/study, all of them with terrace access), bathroom and a staircase hall. The layout is designed as a 4-bedroom, with the **possibility of client's changes**, including the construction of the garage.

The houses are ideally oriented to **West/East**. Customers can choose between two types of design, Standard and Comfort, with handover in a state of **white walls**. That will allow the new owner to complete all the final surfaces and fixtures according to his/her own taste. The supplied equipment will include plastic windows, recessed floor heating provided gas boiler, hot water boiler or electric boiler.

Ivanovice is area with the cleanest environment in Brno, neighboring with the forest on the eastern and western side. A pavement will connect the complex with **Baba Nature Park and the city park featuring outdoor fitness and children's playground**, providing all residents ample opportunities for relaxation and sport. There are basic amenities such as the newly renovated kindergarten, a supermarket, several restaurants and a squash hall. Complete services are available in close Řečkovice, easily accessible by public transport bus. Svitavský přívaděč feeder road secures **very good transport links to the city center, as well as to the slip road to highway D1**.

Usable floor area 136 m², terrace 9 m², built-up area 107.2 m², garden 122.8 m², plot 230 m².
