Completely renovated family house with a beautiful landscaped garden and a panoramic view of the Berounka river's valley located in a famous area with villas designed by architect Sochor, close to a forest. This three-story house comprises living room with a fireplace, open plan kitchen with dining area, and winter garden with direct access to a terrace leading to the garden. It further has 2 studies (private access can be built in one of them), 3 bedrooms, 2 bathrooms, and another terrace. Utility rooms, garage and sauna are situated on the lower floor. The equipment comprises parquet and laminated floors, Internet connection in main rooms, satellite, security system and gas heating. All amenities in the neighbourhood. Good connection to the city center or pleasant traveling by train (train to Prague leaving every 30 minutes). Interior of the house is 270 m², garden 698 m², foot print 142
