6 460 m², Prague 4, Kunratice, Nad Akáty

Price per sq. m.	2 322 CZK
Total area	6 460 m ²
Land type	Housing
Reference number	22812

Attractive **6 460 sq. m. plot overlooking a nearby forest**, located at the end of a dead end street in an attractive residential area of Kunratice, Prague 4. Possibility of building a small family house with floor area of 277 sq. m. in an **exceptionally quiet location**, providing **complete privacy**. The plot is slightly sloping towards the south, connections to all utilities are brought to the boundary. The Kunratický forest is just a few steps away, two ponds are also within quick reach, as well as complete amenities. Currently applied for the change of the zoning for a building plot.
