Office space for lease on the 5th floor in the new administrative project which is consisting of three buildings. The project was built by combining two administrative buildings and a cultural monument - the hall of the former Horák and Hlava company. The hall was originally used for the production of lifting machines and during World War II for the production of machines for war purposes.

Building 3 has a glass lobby with a reception desk, which is a connecting element with Building 0. On the ground floor, there is a water feature and landscaping that connects to the newly created park adjacent to the Libeňský most. Building 4 includes a glass atrium and a roof terrace with a garden.

Location:

The complex is located in a dynamic developing area of Prague 8 with excellent amenities and transport accessibility by car and public transport. In the immediate vicinity of the Palmovka metro station (line B), tram stops and bus station.
