

Land

1 909 m², Prague 9, Klánovice

Sold

Price per sq. m.	9 167 CZK
Total area	1 909 m ²
Land type	Housing
Reference number	25572

South-oriented building plot in the prestigious locality of Prague 9 - Klánovice with an area of 1909 m² offering pine and oak trees. There are two elaborate architectural studies for a family house to be built on the plot, both with a guaranteed territorial permit within the purchase price. Project visualization designed by Rudolf Netík.

The land is located 70 meters from the popular Klánovický les nature reserve. It is a 7-minute walk to a basic school and also to the train station, with trains going to the city center 5 times per hour. The train connection takes 25 minutes, while the center can also be reached by car in 30 minutes.

Total area 1909 m².
