The practical layout separates the apartment into private and social zones. To the left from the entrance hall there is the private area with a walk-in closet, bathroom and two bedrooms. The windows are plastic, and large-size in the living room. Central heating. The house is guarded by **24-hour reception**. The apartment has a **separate, spacious garage**, and parking without any problems is possible in front of the house as well.

Rubeška is an ideal place for a family with children, thanks to the nearby **Podvíní park** with many sports facilities (rope park, bobsleigh track, skatepark, educational trail around the Rokytka brook, children playgrounds and playground for dogs). The location also has excellent transport links: **Vysočanská metro station (line B)**, tram stop and the train station are within walking distance, with links to **Masaryk station** (it takes 8 minutes). All civic amenities including shops are located nearby. There is a **kindergarten and nursery school just opposite the house, while not far from the residence you can find a pharmacy, cafe, and sweet-shop**.
