Office space for lease on the 1st floor of a new administrative building situated in an attractive location of Prague 8. The building combines historical and industrial features. The preserved front wall is from the 1930s, when the building served as a famous automobile repair shop.

Location:

Excellent transport accessibility – the Křižíkova metro station (line B) and tram stop is just a few minutes on foot from the building; the location offers easy connections to the D8 highway, the Prague Ring Road, and the city center. The project will also be part of the BikeSharing solution in Karlín (BikeSharing station close-by).

This top business and residential district boasts an array of some of the city's most popular bistros and cafes, a diverse range of shops and services, medical facilities, banks, and the multifunctional Forum Karlín complex.
