This spacious, multifunctional corner house with 12 offices allows for a combination of residential and business needs. Excellent accessibility by car and public transport, with a metro station within walking distance and a bus stop close to the house.

On the ground floor of the house from 2002, there are currently 5 offices, a meeting room, kitchen, 2 toilets, utility room, warehouse (with separate security) and a furnace room. On the second floor, there are 4 offices, a kitchen, archive area, 2 toilets and an **apartment with a terrace and a bathroom**. The third floor consists of 3 offices with sanitary facilities and a separate **two-room apartment** and a utility room. The house has been approved as a **mixed used building**. Currently, it is possible to use three separate dwellings, combine residential and office space, or there is also the possibility to easily create smaller apartments for rent.

The building is in good condition, with new windows, insulation and a renovated facade. Own DHW source and heating, security equipment with connection to the Central Protection Desk. Attached **garage**, other parking spaces available in front of the house.

The house is in a residential area with other family houses and modern apartment buildings with plenty of green areas. The Rajská zahrada (B) metro station is within walking distance. In close proximity, there is also a bus stop to Černý Most or to Nádraží Holešovice. Traveling by car is faster thanks to the D10 and D11 motorways, the way to the center is straightforward and easy. Two minutes by car to a post office, pharmacy, supermarket, and a kindergarten. Several restaurants are also nearby.

Built-up area 265m<sup>2</sup>, land 607m<sup>2</sup>, garden 342 m<sup>2</sup> (grassed part 98 m<sup>2</sup>, paved part 244 m<sup>2</sup>).
