Luxurious property, complete with a helipad, located in the most sought-after resort area of Algarve's "Golden Triangle."

The circular-shaped villa with ten bedrooms and twelve bathrooms offers gorgeous panoramic views from inside the house. Highlights include two kitchens by the Danish designer Jacob Jensen, a courtyard, a fully-equipped cinema, a heated swimming pool with Jacuzzi, a golf course, a wellness area featuring a home gym, sauna and steam bath, a panoramic lift, and parking for ten cars. Furthermore, the plot features two wells, a waterfall, a lake, a garden with a gazebo.

Equipped with luxury finishes, a central vacuum system, air-conditioning, underfloor heating and solar panel water heating. Highest level of technical development, home automation, anti-seismic construction.

Situated 8 km from the Faro International Airport, 10 km from the Vilamoura Marina.

Plot: 12,000.00 m²; Building Area: 1,500.00 m²
