This modern row house with a basement, 3 bedrooms and a large attic / study is situated in an attractive residential area. Everything necessary for comfortable living including public transport is available within short walking distance.

The ground floor has a living room with a kitchen and dining area and access to a garden through large French windows. The kitchen area has a view to the south-facing front garden. This floor also features a bathroom, an entrance hall and an access to a cellar. A solid wood staircase leads to the upper floor consisting of 2 **south-facing bedrooms** (one of them with a walk-in closet and a large balcony), 1 **northern bedroom** and a bathroom. The entire attic is occupied by a **bright, generous study**.

The house features wooden euro-windows with double glazing, a heated and varnished **teak floor** on the ground floor and **oak parquet floors** throughout. Interior doors with concealed hinges are also made of varnished teak; there is a security entrance door. The house is guarded by a Jablotron security device. The kitchen is equipped with a design Falmec hood and other Siemens, AEG and Liebherr appliances and a stove with five gas burners. Sitting in the living room is more pleasant thanks to a **fireplace stove**. Bathroom sanitaryware is by the **Villeroy & Boch** and **Kaldewei** brands. Heating and water heating is provided by a Geminox gas condensing boiler. The garden with **fruit-bearing trees** and bushes has ideal proportions for easy maintenance. **Parking available in front of the house.**

A quick connection to the center is provided by a metro line - **the Roztyly metro station** is a 7-minute walk away. Even closer there is a bus stop with connections to the Kačerov or Skalka metro stations. The area is **ideal for families with children** - a kindergarten is right across the street, there is a primary school five minutes away on foot and there are also 3 playgrounds nearby. **Farmers' markets** are regularly held in the nearby square. The nearby Kunratický forest with an eight-kilometer hiking / jogging trail provides much needed fresh air and greenery.

Interior 147.4 m² + 15.7 m² basement, built-up area 121 m², garden 90 m², land 211 m².
