Land type	Housing
Reference number	28234

Flat plot of land with a view of the countryside, complete with a project for a family house, situated in a quiet location in the Ohrobec village just a few steps from a forest that is part of the natural Central Bohemia park. Distance to Prague is less than 30 minutes by car or bus.

Including engineering networks for electricity, sewerage and water supply systems. Low energy house project with minimal operating costs.

The land is situated in a natural location near the Ohrobský Údolí valley with good access to Prague, close to a bus stop. Complete civic amenities, including a **kindergarten and primary school, a health center, and pharmacy**, a supermarket, and several restaurants, is available in the modern and constantly developing village of **Dolní Břežany** (5 km away).

Land 1,126 m².
