Reference number	28549

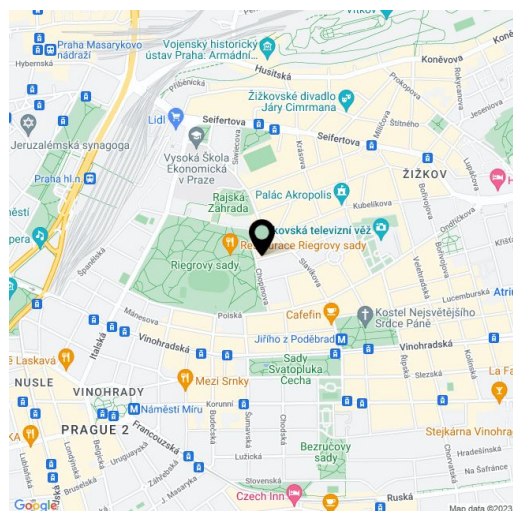

This spacious apartment with high ceilings, an oriel window and a balcony is located on the 1st floor of the new **Na Švihance 11** residence. The elegant Vinohrady residence was created by the reconstruction of an Art Nouveau house situated on a street lined with beautiful Japanese cherry trees, just a few steps from Rieger's Orchards and Jiřího z Poděbrad square.

The apartment is offered in **its original condition before reconstruction**, which allows for completion according to the owner's needs and wishes. The apartment has **preserved original casement windows, original wooden doors complete with wooden frames, vaulted ceilings in the entrance hall and parquet flooring in some rooms.** The architectural design counts with reconstruction and efficient use of space to create a 3-bedroom layout - see the attached plan.

The whole building underwent a reconstruction of the common areas, facades, roof and standpipe lines. The reconstruction also included the distribution of heating and electricity (supplied to the apartment), a new gas boiler room and the construction of a glass elevator (to the mezzanine).

Vinohrady, the most sought after residential location offers all services within walking distance: restaurants, cafes, bistros, groceries, health centers, pharmacies, kindergartens and elementary schools. In Rieger's Orchards there is a gymnasium with a swimming pool, outdoor gym and a well-equipped playground. On the square of Jiřího z Poděbrad, there are regular farmers markets.

Unit size 134.11 m², balcony 2.6 m².

* Area of the unit according to the Civil Code. The area consists of the sum total area of the entire unit bounded by perimeter walls.
