This apartment from the 1930s is located on the 2nd floor of the [Florian Residence](#) on Vinohrady Street, just a few steps from the Flora Metro Station. The project originates in a late Functionalist building, which will acquire attractive communal areas with designer lighting, and a revitalized courtyard with an ornamental garden and a relaxation zone with a seating and barbecue area.

The layout consists of a spacious entrance hall, a living room with preparation for a kitchen unit, **two bedrooms**, a bathroom, a separate toilet and two utility rooms.

The interior will be renovated and will feature, among other things, **new windows with noise insulation**, renovated or new **wooden parquets**, refurbished **original doors including frames**, restored cast iron radiators or new heating elements, renovated (or new) tiles, tiles and sanitary ware in the bathroom and the WC, new riser pipes, electrical wiring, painted ceilings & walls, an entry hall with LED lighting and a videophone in the lobby.

The location offers all the comfort of city living and **excellent transport accessibility** with a metro and tram stop right outside the building. A wide range of services are available in the area including many popular restaurants, stylish bistros and cozy cafes. The OC Atrium Flora shopping mall, the **farmers market** in Jiriho z Podebrad square and small shops are all nearby. Several fitness centers, yoga studios, and the nearby **Parukářka Park** and **Rieger's Orchards** provide venues for sports & leisure.

Photos are from a completed show flat in the project.
Usable area 89.40 m² (net floor area 81.34 m²), balcony 2.75 m².

For more information, please visit the official website of [Florian Residence](#) project.

* Area of the unit according to the Civil Code. The area consists of the sum total area of the entire unit bounded by perimeter walls.
