This contemporary villa is located on the sought-after island of Corfu, nestled on a lush hillside surrounded by old olive and cypress trees – making for a most peaceful, romantic setting. The property boasts breathtaking views of the Gulf of Gouvia and Corfu Town.

Set on an estate of 10,000 sq. m., the villa includes, on the main level, an entry foyer, a **two-story drawing room with a fireplace**, a fully equipped kitchen, a dining room and **3 bedrooms**. All main rooms have access to a **covered veranda** and an exquisite **infinity pool** surrounded by a teakwood deck. The upper level of the villa flaunts a **master suite** which includes a bedroom with a **fireplace**, a walk-in-closet, a bathroom and **2 verandas** overlooking the fortress of Corfu Town.

Other features are an **enclosed garage for 2 cars**, a private water well and central heating. Make this estate your very own private hideaway – seemingly a world away, yet conveniently located **only 15 km from Corfu Town** and the international airport.

Villa: 475 sq. m.; **Plot:** 10,000 sq. m.
