This property, which consists of **five houses**, presents a **fantastic opportunity** to obtain either a **boutique hotel** (the property has been used for such purposes in the past) or a **sprawling family residence**. Nestled in the picturesque village of Pyrgos, the property boasts gorgeous common grounds and terraces that feature **uninterrupted views** of both the east and west side of the island, Fira, Oia, Thirasia and the Caldera.

The houses were **meticulously restored in 2009** with attention paid to every detail. They feature in total: **Eight bedrooms, nine bathrooms, five kitchens**, a dining room and a laundry room. **Two pool-size Jacuzzis** are set on different levels, while a **large swimming pool** provides a common gathering place during the perfect summer days and nights.

Pyrgos, the former capital of Santorini with the best-preserved medieval settlement on the island, offers quiet village living. The village is the highest point in Santorini, which makes for **breathtaking panoramic vistas**.

Total Interior Space: 445 sq. m.; **Grounds**: 896 sq. m.
