Beautiful Ibizan villa for sale built in a unique architectural style located in Santa Eulalia. It has fantastic views of the hills and the azure sea that surrounds this gorgeous island.

The sprawling 1,600 sq. m. house has two circular structures that have the appearance of towers, and an outside staircase with a beautiful carved wooden balustrade. The interior boasts a large entrance hall, elegant parquet floors, a fireplace, a comfortable living room, a sitting area, a dining room, and an open plan kitchen with a wooden countertop.

It also features a TV room, seven bedrooms with interesting wall designs, and seven bathrooms with marble tiles, bathtubs, and showers. The house has been restored using the highest quality materials and craftsmanship. There is a large upstairs terrace and a covered seating area by an infinity pool that partially wraps around the base of the villa.

The villa is in a gated community in an exclusive area in Santa Eulalia surrounded by greenery and tall trees that provide complete privacy. It is close to nature, yet not far from the town of Ibiza, with its many restaurants, cafes, bars, clubs, and exciting cultural and social events.

House: 1,600 sq. m., plot: 2,700 sq. m.
