This large two-story house is located in a beautiful part of the island of Ibiza not far from the city of Ibiza itself. Perched at the top of a hill, it boasts spectacular 360-degree views.

The interior is entered through double-wing wooden doors and into a hallway leading to a living room with access to the **terrace and the infinity pool overlooking the sea**. There is also a **fireplace**, a dining room, an office, and a kitchen. Some of the upstairs bedrooms have en suite bathrooms an access to an upstairs terrace.

The property also includes a 200 sq. m. **smaller second house**, bringing the number of bedrooms to 7, and an equal number of bathrooms. The size of the property allows it to have **plenty of outside patios, decks, and covered sitting areas**. The outside infinity pool seems as if flows directly into the sea and it is a pleasant place to cool off in during the warm season.

The large garden has abundance of trees, bushes, vines, and greenery. The houses and grounds have a very cozy and inviting atmosphere. It's a quiet and tranquil corner away from the exciting pace of life that Ibiza is known for yet within easy reach of all urban amenities.

House: 835 sq. m., plot: 28,000 sq. m.
