Nestled in a neighborhood under the summit of Puig d'en Valls is this secluded authentic Ibizan country villa for sale. With a charming garden and a pool, it's a quiet oasis, yet not far from the town of Santa Eulalia.

This two-level house is surrounded by **almost 4,000 sq. m. of land with many trees and typical Mediterranean plants and wildflowers**. It has **air conditioning** and ceiling fans, but its thick stone walls keep the spacious interior comfortably cool. It features an open plan living room and dining area with a kitchen with open shelving. It has a total of **6 bedrooms** that can fit a large number of beds. There are **five bathrooms** with showers, bidets, and double sinks.

It also boasts a **cozy porch, a covered terrace**, and a shaded sitting area by the outside pool. In traditional country style, the window and door frames are colorfully painted. There are many places inside and outside for sharing meals, sipping refreshing drinks, and relaxing with a book.

There is a **garage and large parking area on the property**. Due to its size, it is ideally suited for a family that enjoys entertaining all year round.

House: 355 sq. m., plot: 3,874 sq. m.
