This apartment, which is currently being prepared, is situated on the 4th floor of a reconstructed house with a Neo-Baroque facade on the border of Prague 1 and Prague 2, close to the city center near the Rašínovo Embankment, Dancing House, and Palackého Square.

The proposed layout will consist of a living room with a kitchen and a **west-facing balcony**, 2 bedrooms, a large entrance hall, a closet, a bathroom, a guest toilet, and a utility room.

The apartment is offered in a state of **shell & core**, with the final layout and final selection of materials and equipment to be determined according to the future owner's taste. Facilities include **double-wing entry doors** and **wooden windows**. The building has been completely reconstructed (including the replacement of all utility lines, the installation of a new **modern elevator**, and the construction of the 5th and 6th floors). The purchase price includes a **cellar**.

The building stands on a one-way street parallel to the Rašínovo embankment. A metro station and tram and bus stops are within walking distance, historical sights are a few minutes' walk or ride by public transport. Nearby, there is a supermarket, many restaurants and cafes, a health center, a kindergarten and an elementary school, a business academy, a high school or a house for children and youth. The 3 nearby islands: Slovanský, Střelecký, and Dětský offer green spaces to relax in.

Floor area 128 m<sup>2</sup>, balcony 1 m<sup>2</sup>.
